

# MUZIUM AUTOMOBIL NASIONAL

NATIONAL AUTOMOBILE MUSEUM

# 1 PENGENALAN

## JAWAINTRODUCTION d - type

Muzium Automobil Nasional diilhamkan oleh Tun Dr. Mahathir Mohamad, Perdana Menteri Malaysia keempat untuk memaparkan perkembangan sejarah sistem pengangkutan dan industri automatif nasional serta kejayaan negara ini menerokai industri berkenaan. Muzium yang terletak di bangunan Welcome Centre Litar Antarabangsa Sepang ini telah dibuka kepada orang ramai pada bulan Mac 2004.

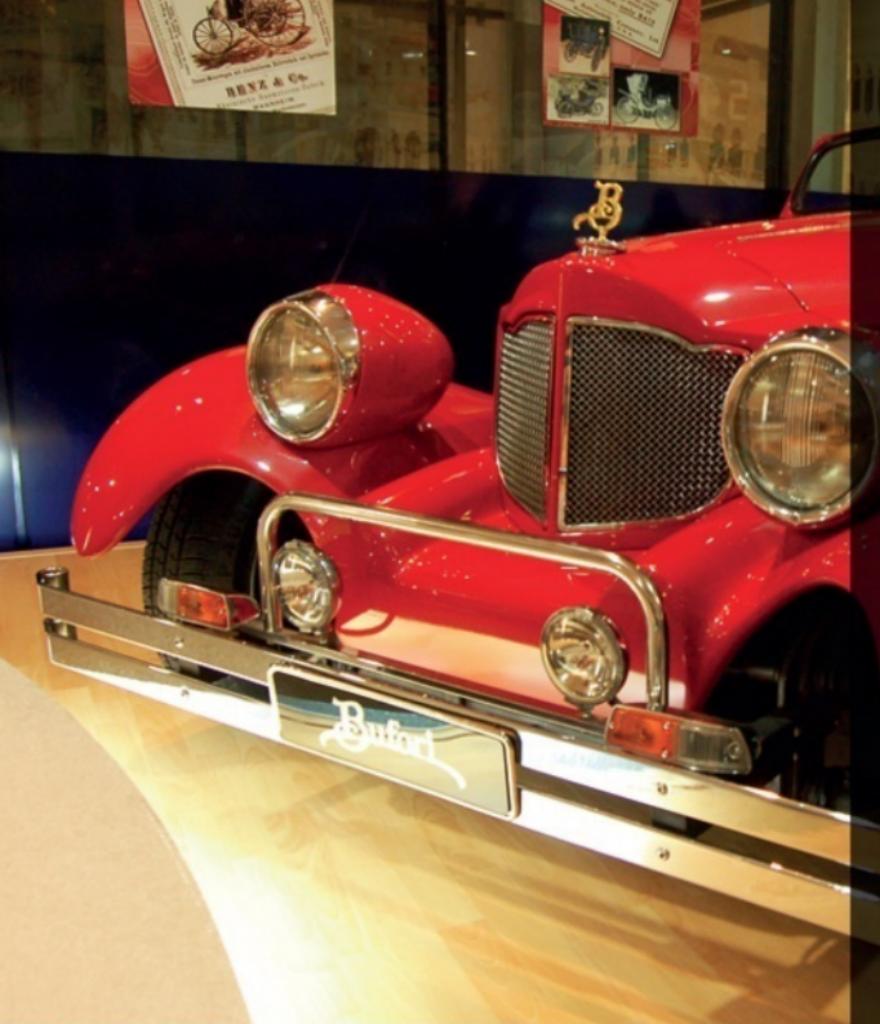

*The National Automobile Museum was a project inspired by Tun Dr. Mahathir Mohamad, Malaysia's 4th Prime Minister, to showcase the historical development of the transportation system and the national automotive industry as well as the country's success in its venture into this industry. This museum, located at the Sepang International Circuit Welcome Centre was opened to the public in March 2004.*

## 2 KOLEKSI COLLECTION

Muzium Automobil Nasional memperkenan 21 buah model kenderaan klasik dan tempatan. Model kenderaan yang di pamerkan termasuklah enam koleksi kereta klasik dan vintaj seperti MGTD, Alvis Tourer, Jaguar D-Type, Austin Healy 3000, Ford Speedster dan Brushmobile yang merupakan kereta tertua dan termahal dipamerkan di galeri ini. Antara model kenderaan keluaran tempatan dan antarabangsa lain yang dipamerkan termasuklah Proton, Perodua, DRB-HICOM, Modenas dan Bufori.

*The National Automobile Museum displays 21 classic and local models. The models displayed include a collection of six classic and vintage cars, namely the MGTD, Alvis Tourer, Jaguar D-Type, Austin Healy 3000, Ford Speedster and Brushmobile. These models are among the oldest model and most expensive car exhibited in this gallery. Among the local and international models on display are Proton, Perodua, DRB-Hicom, Modenas and Bufori.*

# 3 GALERI GALLERY

Ruang pameran di tingkat satu bermula dengan segmen Pengenalan Muzium Automobil Nasional serta Sejarah Perkembangan Sistem Pengangkutan di Malaysia, dan diikuti dua segmen, iaitu segmen Litar Antarabangsa Sepang dan segmen Klasik dan Vintaj. Segmen Litar Antarabangsa Sepang mempamerkan pembangunan dan perkembangan Litar Antarabangsa Sepang yang diilhamkan oleh Tun Dr. Mahathir Mohamad, manakala segmen Klasik dan Vintaj mempamerkan koleksi kereta klasik yang pernah digunakan di negara ini dan mempunyai sejarahnya tersendiri.

Ruang pameran di tingkat dua terbahagi kepada lima segmen yang merupakan paparan industri automotif nasional serta sumbangan lima syarikat tempatan, iaitu DRB-Hicom, Proton, Bufori, Modenas dan Perodua dalam menerajui, membangunkan dan memajukan industri ini.

*The exhibition area on the first floor starts with introduction to the National Automobile Museum as well as the history of the development of Malaysia's transportation system, followed by two segments, namely the Sepang International Circuit segment and the Classic and Vintage segment. The former showcases the development and growth of the Sepang International Circuit, the brainchild of Tun Dr. Mahathir Mohamad. The Classic and Vintage segment displays collection of classic cars, which were previously used in this country and have their own unique history.*

*The second floor exhibition area is divided into five segments, comprising a display of the national automotive industry and the contributions made by five local companies, namely DRB-Hicom, Proton, Bufori, Modenas and Perodua in leading, developing and promoting this industry.*
